## THE GREAT WINE OF CHINA

(Red/干红)

Bottle

- |      |   |     |
|------|---|-----|
| 3026 | <p>Silver Heights “Family Reserve” 2015<br/>NingXia</p> <p><i>Silver Heights is managed by a father-daughter-husband trio, and was born out of a passion for fine wines. With the father's expertise on grapes, paired with his daughter's knowledge of winemaking, their first vintage produced in 2007 blew away the managing partner of Torres China, one of China's most prestigious importers. Since then, their wines have been met with high praise by domestic and international wine experts, with the Family Reserve being no exception. Bright ruby with aromas of red fruits, mochas, and tea leaves, the wine has great drinkability.</i></p>          | 140 |
| 3030 | <p>Grace Vineyard “Deep Blue” 2018<br/>ShanXi</p> <p><i>Grace Vineyard is located in Taigu County, Shanxi — an interesting location, as Shanxi is known for coal-mining and high levels of air pollution. However, initial research found the land abundant with Bordeaux-like draining soils which was ideal for growing vines, and the current location of the vineyard is far removed from all the mining activities. They have been widely recognised in the wine industry for premium quality Bordeaux-style wine, and is highly regarded by famous wine critics and important international media, Wine Spectator.</i></p>                                    | 165 |
| 3033 | <p>Helan Qing Xue “Jia Bei Lan” Dry Red Reserve 2016<br/>NingXia</p> <p><i>Helan Qingxue literally means sunshine and snow on Helan mountain, a reference to the heavy white snow which covers the mountain even during hot summer months. Founded in 2005, Qingxue vineyard is located at the foot of the mountain and is considered one of the few world-class wineries in China. Their Jia Bei Lan Grand Reserve won the International Trophy at the Decanter World Wine Awards (DWWA), the highest honour in the competition and highest accolade won by a Chinese winery. The wine has been described as “supple, graceful, and ripe, but not flashy”.</i></p> | 225 |
